## LOCAL.

TRAINS on time.  
R. Logan of Beaver lake was in town this week.  
Beaver lake is rising slightly, but as yet has no overflow by way of the outlet.  
The Steamer Upas will probably make an excursion up the river on June 29th or July 2nd.  
T. W. LINES, grain merchant, leaves for the Pacific Coast on to-morrow's train on a business visit.  
MR. TUPPER, at present trading at Saddle lake, is about to open a store at Egg lake, east side.  
THOS. CHINNICK, has removed his boot and shoe shop, from the Imperial bank block to his new building on the south side of Jasper avenue.  
B. C. WEBBER of Toronto, inspector of government meteorological stations, arrived on Monday's train on a tour of inspection. He leaves for the south to-morrow.  
A post office called Menawan has been opened at Egg lake, east side, which will be served fortnightly by the present mail route to Victoria, J. B. Bibbee postmaster.  
A. D. OSBORNE has been appointed collector of inland revenue for Edmonton, the appointment being made on account of the establishment of breweries by Messrs Gibson & Hall and T. Cairns.  
A large number of Norwegians from the vicinity of Crookston, Minnesota, are located in townships 49 and 50, ranges 17, 18 and 19, South of Beaver lake. They left the railway at Wetaskiwin.  
REV. J. A. McLACHLAN, formerly Methodist missionary at Victoria, and now missionary at Berens river on Lake Winnipeg, arrived on Monday's train. He left on Tuesday morning on a visit to Victoria.  
A PARTY of delegates from Western Kansas, the region where the rain maker flourishes, have been prospecting the Beaver lake district lately, with a view to settlement. They drove from Olds by way of Wetaskiwin.  
THE posters for the celebration at Fort Saskatchewan on June 29th, contain an error in regard to the half mile horse race. The race is open to any horse and is not limited to horses of 14 hands and under as stated in the posters.  
MR. WHITE, who goes to Lesser Slave lake to teach a mission school established by the Church Missionary Society, arrived on Monday's train, and left by team on Tuesday morning for the Landing to catch the steamer before it starts for Lesser Slave lake.

A post office called Edna, has been opened at the bridge across the Beaver Creek, twenty-five miles northeast of Fort Saskatchewan on the Victoria trail. J. Knowlton postmaster. This office will be served fortnightly by the Victoria mail route.  
A NUMBER of members of the Kansas Colony which arrived early in the spring are settling in townships 52 and 53 in range 12 and 51 in range 13, although the townships are yet unsurveyed. A request has been made for their survey to the department of interior.  
H. COSTIGAN, superintendent of inland revenue and J. K. Barrett, inspector, arrived on Monday's train to inspect the breweries being erected by Gibson & Hall and T. Cairns. The former firm are preparing to both malt and brew and their premises are not yet completed. They are however assured of a malt and brewing license as soon as they are ready for work, which will be about July 15th. Mr. Cairns is prepared to brew at once and has been granted a license to do so. He will add malting facilities later. Messrs. Costigan and Barrett left for the South on Tuesday's train.

THE H. B. steamer returned to Athabasca Landing on Thursday from her first trip to the Grand rapids, and starts for the mouth of Lesser Slave river on the 23rd. Bishop Young, of Athabasca, and party who have been delayed at the Landing since going north from Edmonton, will take passage on her on their way to Lesser Slave lake. The Athabasca was higher than usual during the trip to Grand rapids and good time was made. The scow containing the steamboat machinery and supplies for the Roman Catholic missions in the north ran the Grand rapids with full cargoes, something unusual, and generally impossible.  
ARRANGEMENTS have been made to establish a new ferry across the Saskatchewan immediately below the present lower ferry. The scow will be 46x16, and is now being built by K. A. McLeod. It is expected to be in running order about Tuesday next. The principal parties concerned in the enterprise are the teamsters, livermen and hotel men of the town and a number of the settlers on the South side, who find the tariff of the present ferry too heavy a tax upon their business. The ferry will only be for the use of those who take shares in the company organized to put it on. New grades are being made on both sides of the river, and a new cable will be provided. The establishment of this ferry is very emphatic argument in favor of a great reduction in the present ferry charges on teams crossing, which is the kind of crossing that does business for the town. It is very much more important that there should be a low rate for teams than for single rigs or foot passengers.

JAMES CAMERON of Indian Head, Assa., arrived on Monday's train with a car of settlers' effects.

THE ploughing match advertised for June 15th by the South Edmonton agricultural society, did not take place.

GLOVER & ANDREWS, stationers, have dissolved partnership. The business will be continued by F. H. Andrews.

Two cabbage leaves, of plants grown at the Stony Plain Indian agency, have been shown the BULLETIN. They measure over a foot across.

J. BOULLEAU of Fort Smith on Great Slave river and some Chipewyan Indians of Lake Athabasca are expected to arrive next week with furs for sale.

J. R. RODGERS and J. Schneider of Sheep Creek, start north to-day for Peace river. They are accompanied by W. McLeod, late of Mackenzie river.

MR. ALLAN, late of Alliston, Ont., is making extensive additions and improvements to the property recently purchased by him in South Edmonton.

A MEETING of old timers of Edmonton is requested for Friday next in Robertson Hall, at 7:30 p. m. for the purpose of organizing an old timers association.

THE main line of the C. P. R. has been opened for traffic in perishable goods as far west as Donald, B. C. Beyond that point goods are carried at owner's risk.

BEFORE W. D. Jarvis, J. P., South Edmonton, Alex. McLean, of Clover Bar, was charged with having allowed a fire to escape in May last and was fined \$10 and costs.

MILNE & TURNBULL, auctioneers, have dissolved partnership. M. L. McAdam, late of Dunbarton, Scotland, has entered into partnership with Mr. Turnbull to continue the business.

MR. DEAN, Methodist missionary at Victoria, is in town on his way home from attending the district meeting of Saskatchewan district held recently at Battle river. Mrs. Dean accompanies him.

THE Presbyterian Sunday School will hold a picnic in "The Hermitage" grounds Belmont, on Saturday next June 23rd. Teams will leave the Presbyterian church for the grounds at 10 a. m. sharp.

SOUTH EDMONTON school district votes on July 3rd, on a \$1,200 debt by-law. The money is to be raised for the erection of a new school house as the present school accommodation is inadequate.

J. W. ROBERTSON, dairy commissioner, writes to J. R. Turnbull, secretary of the agricultural society, that he hopes to be able to visit Edmonton sometime during the present season, but that his other engagements, particularly in the maritime provinces, prevent him from appointing a time at present.

THE Edmonton sports of July 2nd will include bicycle races, which do not appear in the list of attractions published in the posters. The races have not been definitely settled as yet, but they will probably be a half mile and mile handicap and five miles open. These races will be a leading feature of the day.

REFERRING to an article appearing in last issue regarding the teaching of agriculture in the schools it may be well to mention that the article applied to Manitoba and that agriculture is taught in the schools of the Territories from the text book authorized for use in Ontario, to all standards over standard three.

A SPECIAL meeting of the board of public school trustees for Edmonton was held in James McDonald's office on Tuesday forenoon. Several offers of sites for the proposed new school house for the eastern end of the town were considered. It was decided to call for offers in writing to be handed to the secretary before Monday noon next, the sites to be limited to river lots 6, 8, 10, 12 and 14.

It is rumored that the sub land office in South Edmonton is to be closed and that instead of the present system whereby the intelligence officer is always on hand to meet trains night or day, attend to the immigrant shed and answer enquiries at the office a member of the staff in the Edmonton office will meet the trains. This system may be economical but can scarcely be efficient.

FUR SALES: Eusebe Mecredi, Alexis Tourangeau, of Fond du Lac on Lake Athabasca, three lots to the amount of \$2,293.89, to James Walsh. E. Brosseau, St. Albert, a lot of \$230 to Jas. Walsh. Franco's Azia, J. Lefleur, Baptiste, Savovim, Napoleon Mecredi of Fond du Lac, Lake Athabasca, several lots to W. B. Stennett, aggregating \$749.25. E. Brosseau, St. Albert, to W. B. Stennett a lot of \$115.

A PARTY of traders from Lake Athabasca arrived on Monday with over \$3,000 worth of furs. They are nearly all from Fond du Lac at the east end of Lake Athabasca. They came on the ice from Fond du Lac to Chipewyan, and then by boat up the Athabasca to Grand Rapids, from which point they took the H. H. steamer to the Landing. They will leave for home in a few days. There was no sickness amongst the Indians of Lake Athabasca last winter, and food was plentiful, as well as fur.

ON Monday at Fort Saskatchewan, James Walker alias Welsh, who had been a home-steadier in the settlement south of Beaver lake, was brought before Supt. Griessbach, charged with having stolen a span of valuable mares belonging to the Messrs. Cookson, also of Beaver lake settlement, which were last seen by the owners on May 24th. The mares were advertised in the BULLETIN and the police outpost at Beaver lake notified the divisional headquarters at Fort Saskatchewan, which again notified all outposts to be on the lookout for the animals, as it was suspected that they had been stolen. The animals were traced by Sergeant Dunning of the Red Deer outpost who found that Welsh had taken them there and traded them to a settler for oxen, and traded the oxen for groceries. The animals were identified by the Messrs. Cookson as theirs and the prisoner was committed for trial. Two sets of harness were found in the prisoner's possession at the time of his arrest which were also supposed to have been stolen. They are now awaiting identification by the supposed owners.

W. EASTON has erected a dwelling on the property alongside his present residence.

CONCERT under the auspices of the ladies aid society of the Methodist church on Monday evening July 2nd.

PROF. HARRISON, president of the university of New Brunswick, of Fredericton, N.B. arrived on Monday's train, on a visit to his son Dr. J. D. Harrison.

THE graveling of Jasper avenue is making good progress. No doubt the gravel will be an advantage to heavy loads in rainy weather, but it is a distinct disadvantage for light driving.

THE stationing committee of the Methodist conference has issued the first draft of stations of ministers for the year. Rev. G. W. Dean, of Calgary, is set down for Edmonton, and H. A. Goodwin for South Edmonton.

T. JOHNSTONE of G. & J. F. Galt, wholesale grocers, Winnipeg, left for home on Tuesday's train having completed the arrangements of the firm for carrying on a wholesale warehouse in Robertson's building for the supply of the trade only. W. S. Robertson agent.

W. O. PERCIVAL, George Eavis and Chas. Chainhalt, of Sheridan county Kansas, who were appointed delegates at a mass meeting of the county held this spring to look up a location for a colony in Alberta, have arrived at Edmonton after a close examination of the Edmonton, Fort Saskatchewan, Beaver lake and Egg lake settlements. They are pleased with the country and will recommend the organization of a colony from Sheridan county, for some part of the country east of Beaver lake next spring. Messrs. Percival and Chainhalt leave for home shortly. Mr. Eavis will remain over winter to report.

## WILLIAMS' EXAMINATION.

The adjourned preliminary examination in the case of Rance Williams, charged with the murder of George Steve, was continued on Tuesday afternoon at the police barracks, Edmonton, before J. A. McDougall, J.P. N. D. Beck appearing for the crown and A. Prince for the prisoner.

A. C. Brabant, sworn, said, I knew George Steve about 4 months before he came here. Remember his leaving for down the river in '92. He borrowed a tent from me. It was a wall tent 8x10 made of 10 ounce duck, it was made to fasten at the door with a large hook and eye, there were eyelets or rings around the wall. The ropes were tightened by round wooden sticks with holes in each end. The eyelets and sticks produced are similar to those on the tent. When borrowing the tent Steve was going mining, and was to pay me \$5 in gold, on his return in fall of '92, for the use of the tent. I have not seen him since and have never heard of his being heard of. Did not know Williams. The only thing belonging to Steve that I might recognize would be a grey flannel shirt.

Examined by Mr. Prince. Steve asked me for the tent two days before he left, he had not sufficient money to buy one. He had \$30 in cash made up of two \$10 bills one \$5 bill and five \$1 bills each. He took the tent with him the day he left. I did not see him after. There were five wooden pins on each side of the tent.

Examined by Mr. Beck. I recognize the photo as that of George Steve and consider it a good likeness.

James Grahame, sworn. Remember seeing prisoner in fall '92 at Fort Saskatchewan, he got on my wagon near Johnson's hotel or Ross & Forbes at Fort Saskatchewan about 3 or 4 o'clock in the afternoon. I was on my way to Edmonton, the prisoner asked for a ride up. I got here about 9 o'clock. On the way up the prisoner said he had come from down the river, near Fort Saskatchewan where he had been mining for about two weeks. He said that he had done well. Prisoner showed me quite a lot of gold, about \$20 probably. He did not make any reference to anyone having been with him. Said he did not stay down the river being afraid of the bears and wolves coming around his tent at night. Prisoner came on as far as Norris & Carey's store where he sold some gold; he got about \$20 in cash for it. He came last to Joe Kelly's stable, that is the last I saw of him till the other day in the barracks. I did not know Steve.

John F. Forbes, sworn. I was clerking for some time for Norris & Carey. Saw the prisoner with James Grahame, he came to the store in the fall of '92 about the beginning of October. I bought gold from him and paid him \$21 and some cents, he still had some gold left, he said he had been mining down the river and had done well. I saw him again the following spring, he said he was going down the river again to mine near the same place.

John Collins, sworn. I know the dump box produced, saw it first at Hickory about 15 miles below Fort Saskatchewan on the south side of the river, at the time two men were using it mining, they were Martin Anderson and Mick Ford. Martin Anderson sold it to me afterwards, but the same season. Do not know where he is now. The box was taken from me by the N. W. M. P. about 3 miles below Fort Saskatchewan.

Pierre Ferguson sworn. (gave his evidence through S. Larue, also sworn.) I remember seeing the prisoner the first week in September '92 on the river below Fort Saskatchewan about 19 or 20 miles on the south side at Dandy bar. I was coming up the river in a boat with George Bourke and Joseph Royer. Do not know where Bourke is. Royer is at Fort Saskatchewan. We stopped on the bar, saw Williams and another man, his partner, washing gold. Williams was coming down from the camp to the bar, we stayed there about three quarters of an hour. We were not near to them, but George Bourke, went and spoke to them. Would recognize the man working with Williams if I saw him. Cannot remember the date. The photograph in court is like the man I saw on the bar with the prisoner. Next saw the prisoner last Saturday. Never saw partner again.

By Mr. Prince. I was on the bar about 15 yards from the prisoner and his partner. Never saw the men before that time. Did not speak to either of them. I recognize the photograph as that of Williams' partner by the features and the hair on his face, he was not shaved, his beard was about half an inch long. I swear it is that of the same man.

A. E. Ping sworn. Knew George Steve and the prisoner, my father gave evidence the other day. Was working in September '92 on the bar below Walter's. Saw them loading their scow before starting down the river. Do not remember the date exactly. Knew both men pretty well, we were working on the same bar, talked to them both daily. George appeared to have a good lot of money, two or three times bought butter and eggs from my father. He seemed to have made pretty well up the river. I think he did pretty well on this bar also. Never saw Steve again. Do not think Williams had any money, as he was not very well dressed and had offered to work for his board. Do not know if he had a tent. George let Sextsmith have his share of their tent when he left the latter, he had a sheet cover like a wagon cover. Recognize the photo as that of George Steve it has just his appearance when he was dressed up.

A. H. Williams sworn. Am father of the accused. Since I came to the country have lived near Wetaskiwin. Came to the country in '92. My son left home during the summer and came to Edmonton to work; if he could get work, he meant to mine. Do not remember the month he returned, I think it was in October. He had been away about two months. When he returned he said he had been down the river about Fort

Saskatchewan and had been working with one George Steve, had done pretty well and made good wages sometimes as high as \$2.50 a day. Said he had worked ever since he had been down the river. I was at Edmonton the day after my son left. The conclusion from that was that he must have been down the river about two or three weeks before he got home to Wetaskiwin. My son said he had left Steve down the river and did not know where he went. That Steve wanted to go to Gold Island but that he (my son) did not want to go so far from home. My son brought home, I think about \$12 in money and no gold that I know of. Did not know that Steve was being advertised for. Neither did my son, to my knowledge, know it. The first time I knew of it was the day they came after my son, who was not at home when arrested, in fact I did not know what it was for, thought he was wanted as a witness. Did not know till next morning what he was arrested for. Did not see my son after his arrest. He had an open face silver watch when he came home. The one produced looks like the watch. I believe it is the same. He told me that he had given a man down the river, where he was working, a piece of gold for it. When my son returned he had no new clothes. He appeared to have the same clothes as when he left, but looking shabby. Had a coat on, a kind of light one, the same he went away with, an old patched one. Had not seen any clothes other than those I had seen before he left. He took a bundle of clothes when he left. Could not say what they were. Before he left home he had a second suit of clothes, but cannot say the color, am sure he had more than one suit of clothes. He brought a rifle back which he said he had bought, think he said he paid \$18 for it. Did not bring a tent. Never heard him speak of Steve after his return.

By Mr. Prince. When I came to Edmonton I brought another son (now in court) to work with Rance. He wanted to come up so I drove him up with the buggy. Do not live with my son. In the summer of '92 and the following winter we were living together and did so until last summer. I have two other sons and four girls. Always found the prisoner steady when with me. He was a good worker when he had work to do. Did not notice any difference in his manner after his return. Rance went mining with his brother and others in '93. Of the party only knew his brother and wife, Mr. Harrington and his wife.

H. W. Williams sworn. Am a brother of the accused. Remember my brother going mining in August or September '92. Cannot remember the date for certain. He returned home in two or three weeks, on his return said he had mined with George Steve and had done pretty good. He brought back about \$12, also a watch. The watch in court looks like it. Did not handle it, only looked at it. Think the glass, on the watch he had, was cracked. Had no ring that I know of. Do not know what clothing he took with him. Appeared to have the same on his return as he had when he left. It was a working suit, coat, trousers and shirt. Did not bring any other suit with him. He brought home a small fine stone. Had no gold. Never spoke of having any trouble with Steve. Said that Steve was going down the river and wanted him to go with him. Did not say who he was going with. The accused mentioned that Steve looked like a partner, G. Deane, I once had in the States, when I was working on a farm in Minnesota, near Grand Forks, the nearest post office was Euclid. The photo produced looks like the same man Deane, he had a squint eye the same as in the photo. I worked with Deane in the summer of '92. I came to the country on the 4th July and worked with Deane a month or two before coming here. I got into some trouble in the States when working with Deane. The man I was working for, Mr. Fargo went off to town one day leaving myself and Deane together, after Fargo had been away a while Deane broke into the house, at least the lock in the door was broken. Deane escaped. I was arrested for breaking into the house, but was released. This happened in May or June. Am satisfied the photo in court looks like Deane. Did not know Steve was being advertised for. Rance never referred to him.

By Mr. Prince. I went down the river last summer in July or August with Mr. Harrington and wife, my brother and his wife, Shanahan, John and Jim Martin and two others called Bob and Arthur. We started from here intending to prospect along the river. My brother said he had camped the year before at the same place we camped. Did not notice any fireplaces except those made by us. Did not find anything particular except a hole, or a sinking in the ground, which had been dug at the corner of the camp in which a bear had been put. The hole was first found by Harrington's dog; it began to dig at the hole. We worked and found a bear's skull. We pulled out the two big teeth, one of which my brother's wife has and the other was taken by Shanahan. Our fireplace was just at one end of the hole. We stayed there two or three weeks.

By Mr. Beck. Rance mentioned this as the place where he had been before. There was a small shelter made of spruce bark sufficient for one man to sleep in. Did not hear my brother say anything about a camping outfit. Jim Martin and I went down on a raft; the others went by boat. Did not find any camping outfit or mining utensils. Did not see the hole mentioned till the dog began to dig. We left the skull there. [Witness here drew a diagram of his idea of the relative position of the river, the bank, bark shelter and fireplace or hole where the bear skull was found.] There was no sign of fire on the bear's skull. The prisoner's wife told me a few days ago that she burnt some clothing at the camp fire. I then inquired of Mrs. Harrington, who told me that it was so. The clothes are said to have been pants, shirts and other things not worth bringing back. They belonged to my brother. Mrs. Harrington lives near Wetaskiwin, but her husband is in Florida. She believes that he will return in the fall. Harrington was present when the clothes were burned.

Dimock Steve sworn. Am uncle of Geo. Steve, the missing man. Recognize the photograph as that of my nephew. Saw him last in March, '92, at Canmore. He left there for Edmonton. I was living at Canmore when George worked at Anthracite. He came to see me occasionally. I came to Edmonton in March, '93, but not to stay. I corresponded with George after he came to Edmonton in '92, the last time being, I fancy, in August. Had received either two or three letters from him. Since then I

have not heard of him at all. Geo. Steve's father lives in Moncton, N.B. George had been from home the last time about five years. I correspond often with his father. I advertised in the Edmonton BULLETIN for George a year ago last April, but have failed to find any trace of him.

Mr. Beck said: "I have no more witnesses at present but am of opinion that sufficient evidence has been produced to commit the prisoner for trial, but I think it will be more satisfactory and in the interest of justice to ask for an adjournment to enable me to produce witnesses I have information of, one at least being very important."

Mr. Prince objected on the grounds that there is as yet no proof of a murder having been committed.

The magistrate, (J. A. McDougall) said: I am of opinion that a murder was committed, and as there are sufficient suspicious circumstances in the evidence already produced to warrant a further adjournment, I grant an adjournment to Tuesday, the 26th inst, at 10 a.m.

The court then adjourned.

## FORT SASKATCHEWAN.

The large amount of settlement which has taken place within the past two or three years to the south, east and north of Fort Saskatchewan, both near and remote, has given an importance to that place as a commercial point that it did not hitherto possess, and has given rise to a very respectable building boom this season. The following is a list hastily collected and therefore neither exactly accurate or complete, but one that will give a fair idea of the amount of building that has been done to date and that is still under way.

J. C. C. Bremner, hall, 24x45, story and half. Graham & Watt, contractors.

A contract has been let to J. E. Graham for grading the principal streets, although the nature of the soil and the location rendering grading scarcely necessary.

Lamoureux Bros., who established the first ferry at Fort Saskatchewan and still control the ferry, have procured a new wire cable and are about to place the crossing some distance down stream from the present location so as to give a more direct crossing to the town.

Posters are out for the celebration to be held at Fort Saskatchewan on Friday June 29th. Four hundred dollars will be offered in prizes. The events include horse races, half mile green dash, 14 hands and under; mile open trot, best 2 in 3; half mile dash, N. W. M. ## SIM FAX CONCERT.

The Sim Fax concert company appeared in Robertson's Hall on Tuesday evening before a good house, and proved their title to be considered entertainers in the large and complete sense of the word. Miss Steven- son's singing was pleasing and spirited and everything that she attempted she did well. She received numerous encores to which she responded most gracefully. Mr. Fax was inimitable in comic pieces. Mr. C. F. Ward's violin playing was uncommonly good, and his imitation of the whistling of the mocking bird on the violin brought down the house. Miss Florence M. Ward, pianist, left nothing to be desired in her part of the entertainment. Even the pouring rain of Wednesday evening could not prevent a fair attendance at the second entertainment, at which a complete change of programme was given with excellence equal to that of the first evening. To-night the company appear in Bremner's hall, Ft. Saskatchewan, having gone down by steamer Upas, which has been chartered for an excursion trip. The steamer left at 2 p.m. The party leave for the south on to-morrow's train.

## THE APOUX CASE.

The BULLETIN has received from Louis Apoux, father of the boy Henri Saul Apoux, who died last week at the police barracks, Edmonton, a letter of complaint against the magistrates before whom the deceased was brought on a charge of vagrancy, and by them committed to police custody. While everyone must regret the occurrence of this melancholy event which has given rise to the grief and complaint of Mr. Apoux and while all can understand and sympathize with his feelings in the matter, it cannot be of service to either himself or the public that a wrong impression should be created as to the circumstances attending the un- fortunate youth's arrest, as might be by the publication of his letter. If a wrong at law has been committed, by any of those in authority, or if the limitations of the statutes have been overstepped, there is a remedy at law provided to meet the case. But so far as the BULLETIN has been able satisfy itself by careful enquiry the action of the magistrates was prompted by an honest desire to do the best that could be done for the unfortunate boy under the circumstances in which he was brought before them. The father and son arrived from France about two months ago, and being in poor circum- stances were anxious to procure work. This they seemed unable to do. At last the father decided to go down the river to mine. The boy who was very large of his age and looked healthy, was not fit to accompany his father down the river. While looking for work the father had arranged with T. Mil- lette of the Commercial hotel, South Ed- monton, to board him for a week for \$2.00 which was paid. On leaving town the father placed the son with Rev. Father Fouquet of St. Joachim's mission, with instructions to let him return to the hotel in case he should de- sire to do so. The son did return to the hotel, and while there was attacked by severe epileptic fits. After the fits began to occur Mr. Millette attempted to get the boy placed in charge of a charitable person who would care for him, as he was unable to give him proper attention himself. Failing in this he applied to the police corporal stationed at South Edmonton for assistance or advice in the matter, the result being that the corporal laid an information before Col. Jarvis, J. P., charging the boy with vagrancy, the object being to secure for him the assurance of safe keeping and necessary medical attendance. Mr. Millette acted as interpreter and explained the meaning and object of the charge to the boy, who pleaded guilty (and was accordingly committed for one month, by which time it was expected the father would have returned and be in a position to care for his son. On the re- moval of the boy to the barracks the fit re- cured. Medical attendance was procured and everything that could be done was done toward his recovery but without avail. The father was sent for by telegraph and arrived before the death of his son. It may be men- tioned that Mr. Apoux expressly desires to thank Dr. Roy, Braithwaite and Watson for their kindness in attending his son and Supr. Griesbach and the officers and men of the mounted police for doing everything that could be done under the circumstances detailed above. It must appear that the in- tent of the magistrates was not less than of the medical men and police officers and con- stables was of the best towards the boy, and that the case was not such an unwarranted exercise of arbitrary authority as the cor- respondence on the subject appearing in last issue of this paper would make it appear.

Calgary Herald: The mounted police detachment at Red Deer and Innisfail are to be transferred to E Division from Ed- monton, and an outpost will be furnished from Fort Saskatchewan to Buffalo Lake as an early date.

## St. JEAN BAPTISTE DAY.

The programme of the grand national celebration to be held under the auspices of the Societe St. Jean Baptiste d'Edmonton, on Monday next, June 25th, has been pub- lished. Assurances have been received of the presence of a large number of French Canadians from Ft. Saskatchewan, Morin- ville, St. Albert, Stoney Plain and Sandy Lake. A procession will be formed on Jasper avenue in front of the Columbia hotel at 8.45 a.m., in the following order:

French Canadian flag.  
Edmonton brass band.  
Flag of the society.  
Officers of the society.  
Members of the society.  
Invited friends.  
Ladies in carriages.

The procession will start at 9.15 a.m. and proceed to St. Joachim's church, where high mass will be said by Rev. Father Leduc, of St. Albert, and the sermon of the day will be preached by Rev. Father Dorais, of Ft. Saskatchewan. After the sermon the procession will again be formed and proceed to the grove on the flat below the Hudson's Bay fort where lunch will be served to all members of the society and invited friends. After lunch a national convention will be held to decide as to whether a single national society will be formed for Northern Alberta or whether a union of the several St. Jean Baptiste societies will be made. The convention will be addressed by the ablest speakers of the societies. At the conclusion of the convention the Edmonton brass band will play "Le Marseillaise," and the grand chorus, "O Canada," will be rendered, besides other national airs. There will be races and sports of various kinds, the prizes for which will be made known on the grounds. A platform will be provided and an orchestra will furnish music for dancing. A musical and dancing party will be held in Robertson's hall at 9 p.m., at which lunch will be served. The St. Albert brass band will be in attendance during the day.
